

ACTIVITIES ON BUILDING WORKS

One of the prime agendas of the State to improve the building infrastructures for opening the vistas of all round development activities is to undertake new building construction / maintaining the existing one located in the Urban Area of the State and Works Department have a key role to play on this aspect. With the rapid addition of new building infrastructures across the various Government Departments added with backlogs of fairly good in number poses a huge challenge to accomplish the project in a scheduled time line.

For this, constant evolution of comprehensive plan programme is an important feature to ensure smooth flow of funds to meet the systematic planned expenditure without any impediment in the pace of progress. A sneak preview of our activity verticals and funding for the year 2013-14 speaks the entire of spectrum of all round development.
